Smoke Signals

Indian Acres Club of Thornburg

Lillian Cooper-Wiggins,  
Editor

----- IMPORTANT NOTICE TO ALL IACT OWNERS -----

SMOKE SIGNALS  
IN AND AROUND INDIAN ACRES

---

**EDITORS COMMENTS:** Smoke Signals is the project of Lillian Cooper-Wiggins, Chairperson IACT Board of Directors, The Governing Documents calls for communications & dissemination OF INFORMATION between owners and Board members.

Over five (5) years ago, I took on the project of independently producing Smoke Signals as an informational paper and not a publication, to keep property owners informed about various issues and this includes deaths, weddings, anniversaries, activities and general information because we did not have anything to bind owners together and inform of special occasions, etc. there is no other such informational piece of news material for and or benefiting Owners.

There comes an occasion when all do not agree with some of its contents. I have been a journalist for better than 30 years and to insure that I stay within the framework of good journalism I have Smoke Signals, at my expense, viewed by legal trainees to insure that I stay within the legal framework of good Journalism. I view this important because it is not my intensions to slander or defame any or place IACT in harms way. From time to time I get a few who would like to silence Smoke Signals for various reasons. This is to be expected but if you "Kill the Messenger you'll silence the dissemination of information." If you don't know what's happening in and around Indian Acres you can't question or speak your opinions. Because of an attempt to silence Smoke Signals when Melvin was President, I was advised in June of 2007 to place a disclaimer on Smoke Signals.

**The following DISCLAIMER APPLIES:**

Smoke Signal is not an official publication of Indian Acres Club of Thorn burg, Inc. and as such neither IACT nor its officers, directors or agents take any responsibility for its contents. Therefore, Contents in NO way reflect the views of IACT.

## **SMOKE SIGNALS**

### **THE ATLANTIC CITY TRIP A HUGE SUCCESS**

*The bus pulled in at approximately 6:30 a.m. at the Security Parking Lot. Immediately the bus was loaded with trays of watermelon, sodas, water, baked beans, snack bags for every one, potato chips, ice, deviled eggs, and crackers. We had planned to fry chicken wings but got caught up in time and fatigue. My apologies to Marilyn, who baked the beans, for not having the chicken for the beans. We will reimburse her for the beans.*

*The bus pulled out shortly after seven. We were waiting for two passengers. On the road it was down to Dumfries to pick up Mae Minor, Glen 5 and her crew. On the way to the Maryland House we passed out the goodie bags, did the 50/50 raffle, and passed out a puzzle game. There were 6 losers prizes drawn from the 50/50 raffle. The prizes were pretty descent. Movies were played to and from Atlantic City. Having things to do on the bus made the ride pleasant. We arrive in Atlantic City shortly after noon.*

*Included among the many on the trip were Cheryl Beck, Marilyn and Andrew Prather, Shirley and Charles Dorsey, Conni Robinson and family members; Robin Benson, Pat Lewis, long time favorite at IACT who use to be in Glen 10, Jeff Coles, Chad Brown, Joan Sexton, Joanne King, Jennie Cowell, Martin and Tina Holmes, Robert and Doris Davis, Glen 11, they drove up from Atlanta, Georgia, Delores Chapple, Brenda and Angela Mitchell, Helen Spencer, Catherine Little, who worked hard to make the trip a success, as did Wanda Cushman, Assistant IACT Administrator, Clara Irvine, Recreation Director, IACT who*

*helped to recruit passengers and took care of the movies and showings on the Bus, Art May, Andrew and Fannie Moses, Wayne Farmer, Bobby and flo Stoneberger, Paulette O'Toole, Renee Williams, Mae's Niece from Dumfries, and Dianne Minor, Lori Farmer, She use to be the former Lt. Of IACT Security Department, Lillie Wilson, and Corrine Schwein formerly of Glen 11. She and her husband now reside in Laurel, Maryland. She and I were partners as I promised her husband that I would look out for her. She really enjoyed herself, won the 50/50 raffle and was delightful to travel with. Kind of lost track of her for a while as I had to wait until all were settled off the bus. Had a delightful day. Spent much of my time on the Boardwalk. It was fun just watching people and wondering what life was like with them. In your quiet moments you realize how blessed you are when you have your health and strength.*

*Looking forward for the next trip. Will inform you as soon as I can. We hope to make a Holiday Trip to Atlantic City when all of the decorations are out and the shopping is good. It's absolutely beautiful in Atlantic City during the Holiday Season.*

### **GLEN TWO MEET AND GREET GATHERING.**

*Charles Dorsey, Glen Chief 2 hosted a meet and greet gathering, a couple weeks ago, in the back of the IACT Clubhouse. Approximately 50 people, mostly from the Glen, were in attendance. Betty, Linda and Deloris did a great job getting the word out. Everyone was to bring a dish. The table was ladden with food stuff. Rich Cobel did a great job cooking the hot dogs. Nippy and Catherine were down from Rhode Island, Martin and Tina Holmes came over from Glen 6, Mr. and Mrs. Moses came over as did Virginia Baker and Chad Brown. Also over were Mr. and Mrs. Hall originally from Glen 14B. All in all it was a fun*

*time and folks really enjoyed themselves. Spending time chit chatting was Edith and Warren of Glen 2. Stopped by and visited with them, briefly, last week. Didn't get a chance to go back over because left that Saturday for Atlantic City. Left Edith cooking breakfast. It really smelled good. Unfortunately, for me, I had already eaten at McDonalds. Others, that I was made aware of having gatherings were Glens 3 and 10. Was happy to see Victoria Hill and hubby George. They came down for a short period of time. Missed seeing Clara Rener, Glen 7. Spoke with her on the phone and her hubby Adam was in the hospital. Hope all is well. Will get in touch.*

*Heard from Sue Rowe and she's been ill for sometime. She ask me to let the folks in her Glen 9, to get together and elect officers for the Glen as she won't be able to do the job any more. She's really concerned that the Glen gets a new functioning chief. When she was able, Sue was a wonderful chief who was hard working. Just before she had her stroke she had increased the amount of entries, from her glen, in the holiday parades. You just get well Sue. Am sure someone will pick up and carry on the torch.*

## **TIMES RUNNING OUT**

*September 14<sup>th</sup> is the final date that you can have your voting package into the Election Agency for the IACT Board of Directors. It's important that you vote.*

## **THE END OF THE SUMMER SEASON**

*The last activity at the Memorial Site will be Saturday at 7 p.m. Will be sending out a notice as it relates to this Site. The Memorial Site, true, was my creation. However, it is not a Lillian*

## **Page 4 SMOKE SIGNALS**

***Wiggins Memorial. It was created to give tribute and recognize Indian Acres owners, after death, and have a lasting memorial to them. Hopefully, at the Annual Meeting of Property Owners, you, as owners, will agree to vote the Memorial Site as an IACT Amenity It's been a labor of love but it needs the caring that only IACT give it. By placing it as an IACT Amenity funds will be voted in, each year, for its care, just like clearing the lots, repaving the roads, cutting the grass, etc.***

***I have received contributions from many of you and have used these contributions to purchase memorial statues, benches, plants, flags, flowers, fixtures for the stand up wooden cross, and a Kelek Cross. At the moment the weather has taken its toll on the memorial stones and they need to be refinished. Hopefully before the cold weather sets in I can have the ones already there re-worked. Over the Winter Season I will work on the slate of deceased names. Next year, hopefully, the Site will be in the hands of IACT. I have enjoyed working on the project and don't want it to suffer because Lillian Wiggins is affiliated with it.***

## **CHIT CHAT**

***Spoke with Ann Mackey, recently, over the telephone. Wasn't especially a good day for her. If she could gather her business together she would be coming to the Acres for a few days. Love Ann, she's a wonderful, kind and caring human being. She's Chief, Glen 8. Joanne and hubby Harold are enjoying heir Summer. Roy Joyner and wife Sylvia are doing well. Chatted with Nellie Le Grande. So happy she's on board. The Andersons, Glen 15, are doing so much better than what they were. Both have been quite ill. So nice to see them getting around and enjoying the Acres. Following the Annual Meeting, and with the onset of the Winter Season, I will be able to spend some time with***

*them. We use to eat, pray and chit chat together every weekend. Sort of miss this. Miss seeing Rev. and Mrs. Cooper of Glen 10. Guess they are busy as most are. Saw that Carolyn Moore of Glen 10 was down, last week, but did not get a chance to get over to chat with her because of being away that Saturday on the trip. Rich and Tara Coble are spending more time at the Acres. Rich and Turney captured all of the cats, on our road in Glen 2, and all are safe in a confined area where they will be ok. Understand two of the cats have been adopted and that one of the larger ones was taken into the shop and the folks in there are loving it. We are so happy that the family is altogether. We take turns purchasing food for them. Came at a good time as Turney has had to be away from the Acres for the past three weeks due to medicals. Chatted with Roberta Shaw Hawkins and she's in good Spirits. Keep Cathy Curry and hubby John in your prayers. He's yet recovering from a fall taken some time ago at his boat dock in Glen 12. Cathy is busy caring for her brother and of course caring for her health. Hopefully she will be down over the last holiday of our Summer Season. Give her a ring, she would love to hear from you.*

*Stopped by Dorothy Gilbert's place on my way in Friday and it really looks good. Her green thumb is really working for her. The assortment of flowers really enhances the place. She's been down all week enjoying planting.*

*See that the Johnson's in Glen 10 are down. Hopefully I will be able to see them before the weekend is over. Virginia Baker was spotted on the lake chilling out ,in her boat, with her dog.*

*Maybe I will get Warren and Edith to take me out in their pon ton boat before the weekend is over. Shirley and Charles Dorsey have a paddle boar but don't think I am up to paddling at this time. Just want to sit back and chill and let the water and the motor do the work. Joyce Waggett and husband are on vacation in the upper states. Don't remember which one she said they would be visiting.*

*See you at the Annual Meeting of Property Owners the last of September. In fact the date is September 26, 2009.*
