FROM THE DESK OF DIRECTOR OF OPERATIONS:

HELLO APRIL! We hope you enjoyed a wonderful Easter with your family and you're ready to begin a fun April at the Campground. Thank you to everyone that donated towards our Easter event.

April is the month for our **SPRING CLEAN-UP**. Just grab some biodegradable bags from the office (while supplies last) bag your leaves and let us know when they are ready for pick-up. A dumpster located behind the trading post is available for other debris during April. Please do not put propane tanks, tires, or mattresses in the dumpster. Berkeley Landfill is recommended for these types of items.

IAC has a full month ahead with fun activities the whole family can enjoy together. You'll want to keep an eye on your email for the weekly blast and on the IAC official Facebook page for all the details.

Virginia Department of Forestry 4pm BURNING BAN: No burning until after 4pm until April 30th.

CONGRATULATIONS to "RONY" in the Maintenance Department for receiving EMPLOYEE OF THE MONTH.

Happy Camping!
